**The Court, at the admission stage, made the following:**

**O R D E R:**

The grievance of the petitioner is that the 2nd respondent has not included the petitioner's college in the list of colleges and the allotment of students is not being made.

After perusal of the record, it is noticed that nothing has been placed before this Court to show that any rules or regulations are issued even as on today making it mandatory to maintain a list of colleges for each academic year for the purpose of admission of students.

The petitioner's college obtained necessary permission from the authorities concerned and there cannot be any objection for allotment of candidates.

In the circumstances, there shall be a direction to the respondents to allot the students to the petitioner's college in accordance with law notwithstanding the fact that the college is not included in the list of colleges for allotment of students.

The Writ Petition is accordingly disposed of. No costs.
